SPORT SURFACES

The right surface for winners.

The Americourt game plan - excellent service, quality and experience.

Why you should choose Americourt

Americourt has a 20 year history of success in repairing and resurfacing existing tennis courts, basketball and other sport surfaces. We offer professional design for new courts from concept to reality.

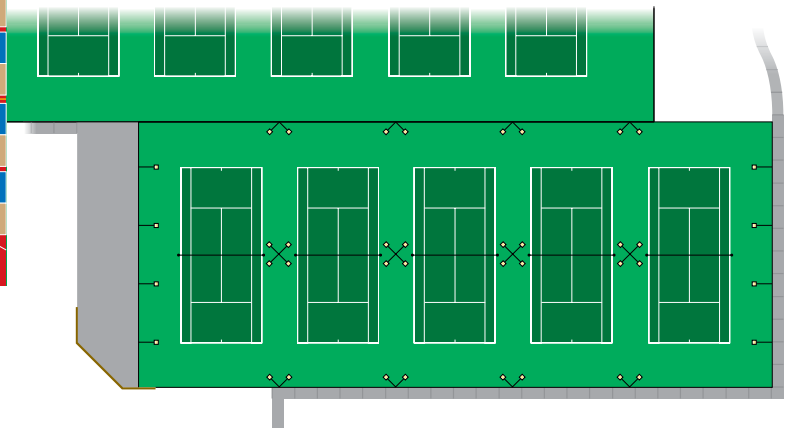

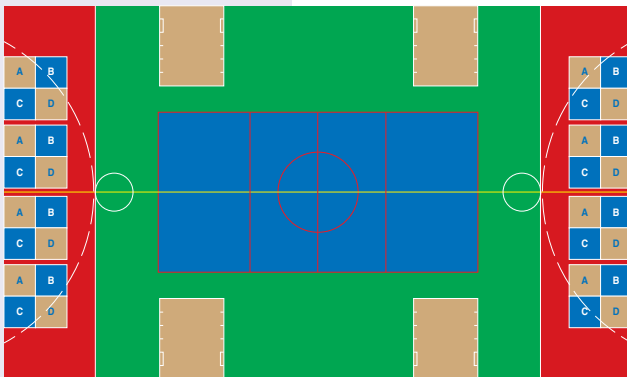

Most sport surfaces weather over time because of:

- Poor drainage
- Delamination
- Surface irregularities
- Aging asphalt or concrete

Americourt addresses these issues and restores and rejuvenates your existing facilities.

We provide complete site construction, including asphalt base, curbing, fencing, side-walks and more.

Our success is defined by the quality and longevity of our workmanship, our superior customer service and our client's satisfaction.

Americourt's sport surfaces

Americourt has a complete line of sport surfaces for a variety of athletic and recreational needs.

- tennis
- basketball
- volley ball
- multi-purpose
- weight room
- fitness needs

All applications are designed to provide:

- comfort
- quality
- shock absorption
- energy return
- long-lasting durability

Americourt has a complete line of standard hard coatings, cushion, multipurpose, and basketball courts.

With any Americourt sport surface, you can add your logo and there are multiple color choices, making it easy to establish your identity or promote your brand.

All Americourt surfaces are easy to maintain.

In addition, Americourt offers a high-end surface for maximum comfort, control and consistency. It is used for indoor and outdoor tennis courts, volleyball and other sports that require rubber, shock resistant bases. Engineered with the latest technology, it maintains high technical standards in any climate and temperature.

"Americourt has been the company of choice for all of our resurfacing needs for well over a decade. They have continued to rise above the rest to meet the high expectations we have placed on them."

*– Jay Lapidus,
Men's Head Tennis Coach
Duke University, Durham NC*

"Americourt was extremely helpful in creating a vision for us, laying out the entire project, and putting a design on paper. Their quality of work was excellent and will serve our community for many years to come. Most important was Americourt's follow-up and concern for their work."

*– Ned Gonet, Athletic Director,
Ravenscroft High School
Raleigh NC*

"The rooftop cushion sport surface is great! I love the colors Americourt chose, they are bright and visible. The children can see the outlines for the various playing areas clearly. It is fantastic for the different sports and games we play during physical education and after school sports. Thank you for a job well done."
